

Trailer structure

Name of trailer you are analysing:

Write your ideas here:

Write your ideas here:

Opening: Establishes setting and introduces character.

Build up: relationships established; development of characters and their world.

Structural Conventions

Problem: a dilemma or series of complications: characters faced with an obstacle (or several) to overcome. There may be more than one 'problem' in the narrative.

Events: a series of events as characters try to overcome obstacles and solve problems. Further complications may arise in the process.
